THE 1962 UTOPIAN

Printed by
THE ASSOCIATED STUDENTS
MORGAN HIGH SCHOOL
Morgan, Utah

Lithographed by COMMUNITY PRESS, Orem, Utah

In a valley where skies are so blue,
Where the hearts are all loyal and true,
Where there's joy in the air
And good will everywhere
Stands the school that we all adore.
We will love you our old Morgan High
'Till the stars cease to shine in the sky;
Live or die, we stand together
Sun or rain, our school forever,
For we love you our Morgan High.

There's a place in our hearts all your own,
'Tis the sweet, tender longing for home.
May the deeds that we do
Reflect honor to you
When far from our portals we roam.
Give three cheers for our old Morgan High
Where we never say can't, but I'll try;
Heart and hand to three we render,
Brain and Brawn be thy defender,
For we love thee, our Morgan High.

You're the best little school in the land.
From the freshie to senior so grand,
From the shop with its noise,
To our basketball boys,
For victory with honor we stand.
We are proud of our boys in the game,
They bring honor to Morgan's proud name;
They are never spoiled by winning,
They can lose and keep on grinning,
They're the product of Morgan High.

Seniors of Morgan High! Class of '62! All of us went toward our own horizon with a desire to make our last year at Morgan our most glorious year.

As we bid farewell to Morgan, we find our hearts swelling with many "Thank-you's" for the patient teachers, understanding friends, and the knowledge and memories they have left in our minds. Good-bye, Morgan. We will always be proud of you.

At this time we, the Junior Class of 1962, have approached another decision; with three years down, one to go, we now must decide whether to step into the shoes of the August Seniors, and graduate, or shall we go into military areas as patriots or shall we marry the "boy of our dreams." Our future looks brighter if we complete the one remaining year. We shall be back as Seniors.

ACTIVITIES

Yearbook Queen

Every year some lucky girl is chosen by popular vote to represent the school as Yearbook Queen. She is crowned during half-time at one of the basketball games. Charming and friendly describes Leah Rollins, our Yearbook Queen for 1962.

Jan Turner is good looking, very intelligent, and does well in his school activities. These qualities besides popularity, obtained the honor of Morgan Trojan for Jan. He was chosen from five candidates. The other candidates were Neil Carrigan, Brent Rich, Phil Toone, and David Castle.

Music is the universal language that all the world understands. Our world of music, under the direction of Mr. Ronald Wooden, spends hours preparing concerts, marching in parades, building enthusiasm in cheering students and contributing to the spirit of our school. Music students gain technique, sensitivity and insight which may lead to careers in the music field.

The climax for the Junior Class of 1962 came when we transported, with delight, our friends as well as ourselves BEYOND THE SEA, the theme of the Junior Prom. The theme was carried out in under the sea charm with different shades of green. We spent many hours of fine work and worry to make it the success it was. Naturally, we recognized this function as the highlight of the social season for Morgan High School. Our gratitude is heartfully extended to our sponsors Mrs. Peterson, Mr. Wight, Miss Butler and Mr. Abbeglin and everyone who made it possible. It will long remain a night to remember.

"Where the students of Morgan High see the best in movie entertainment."

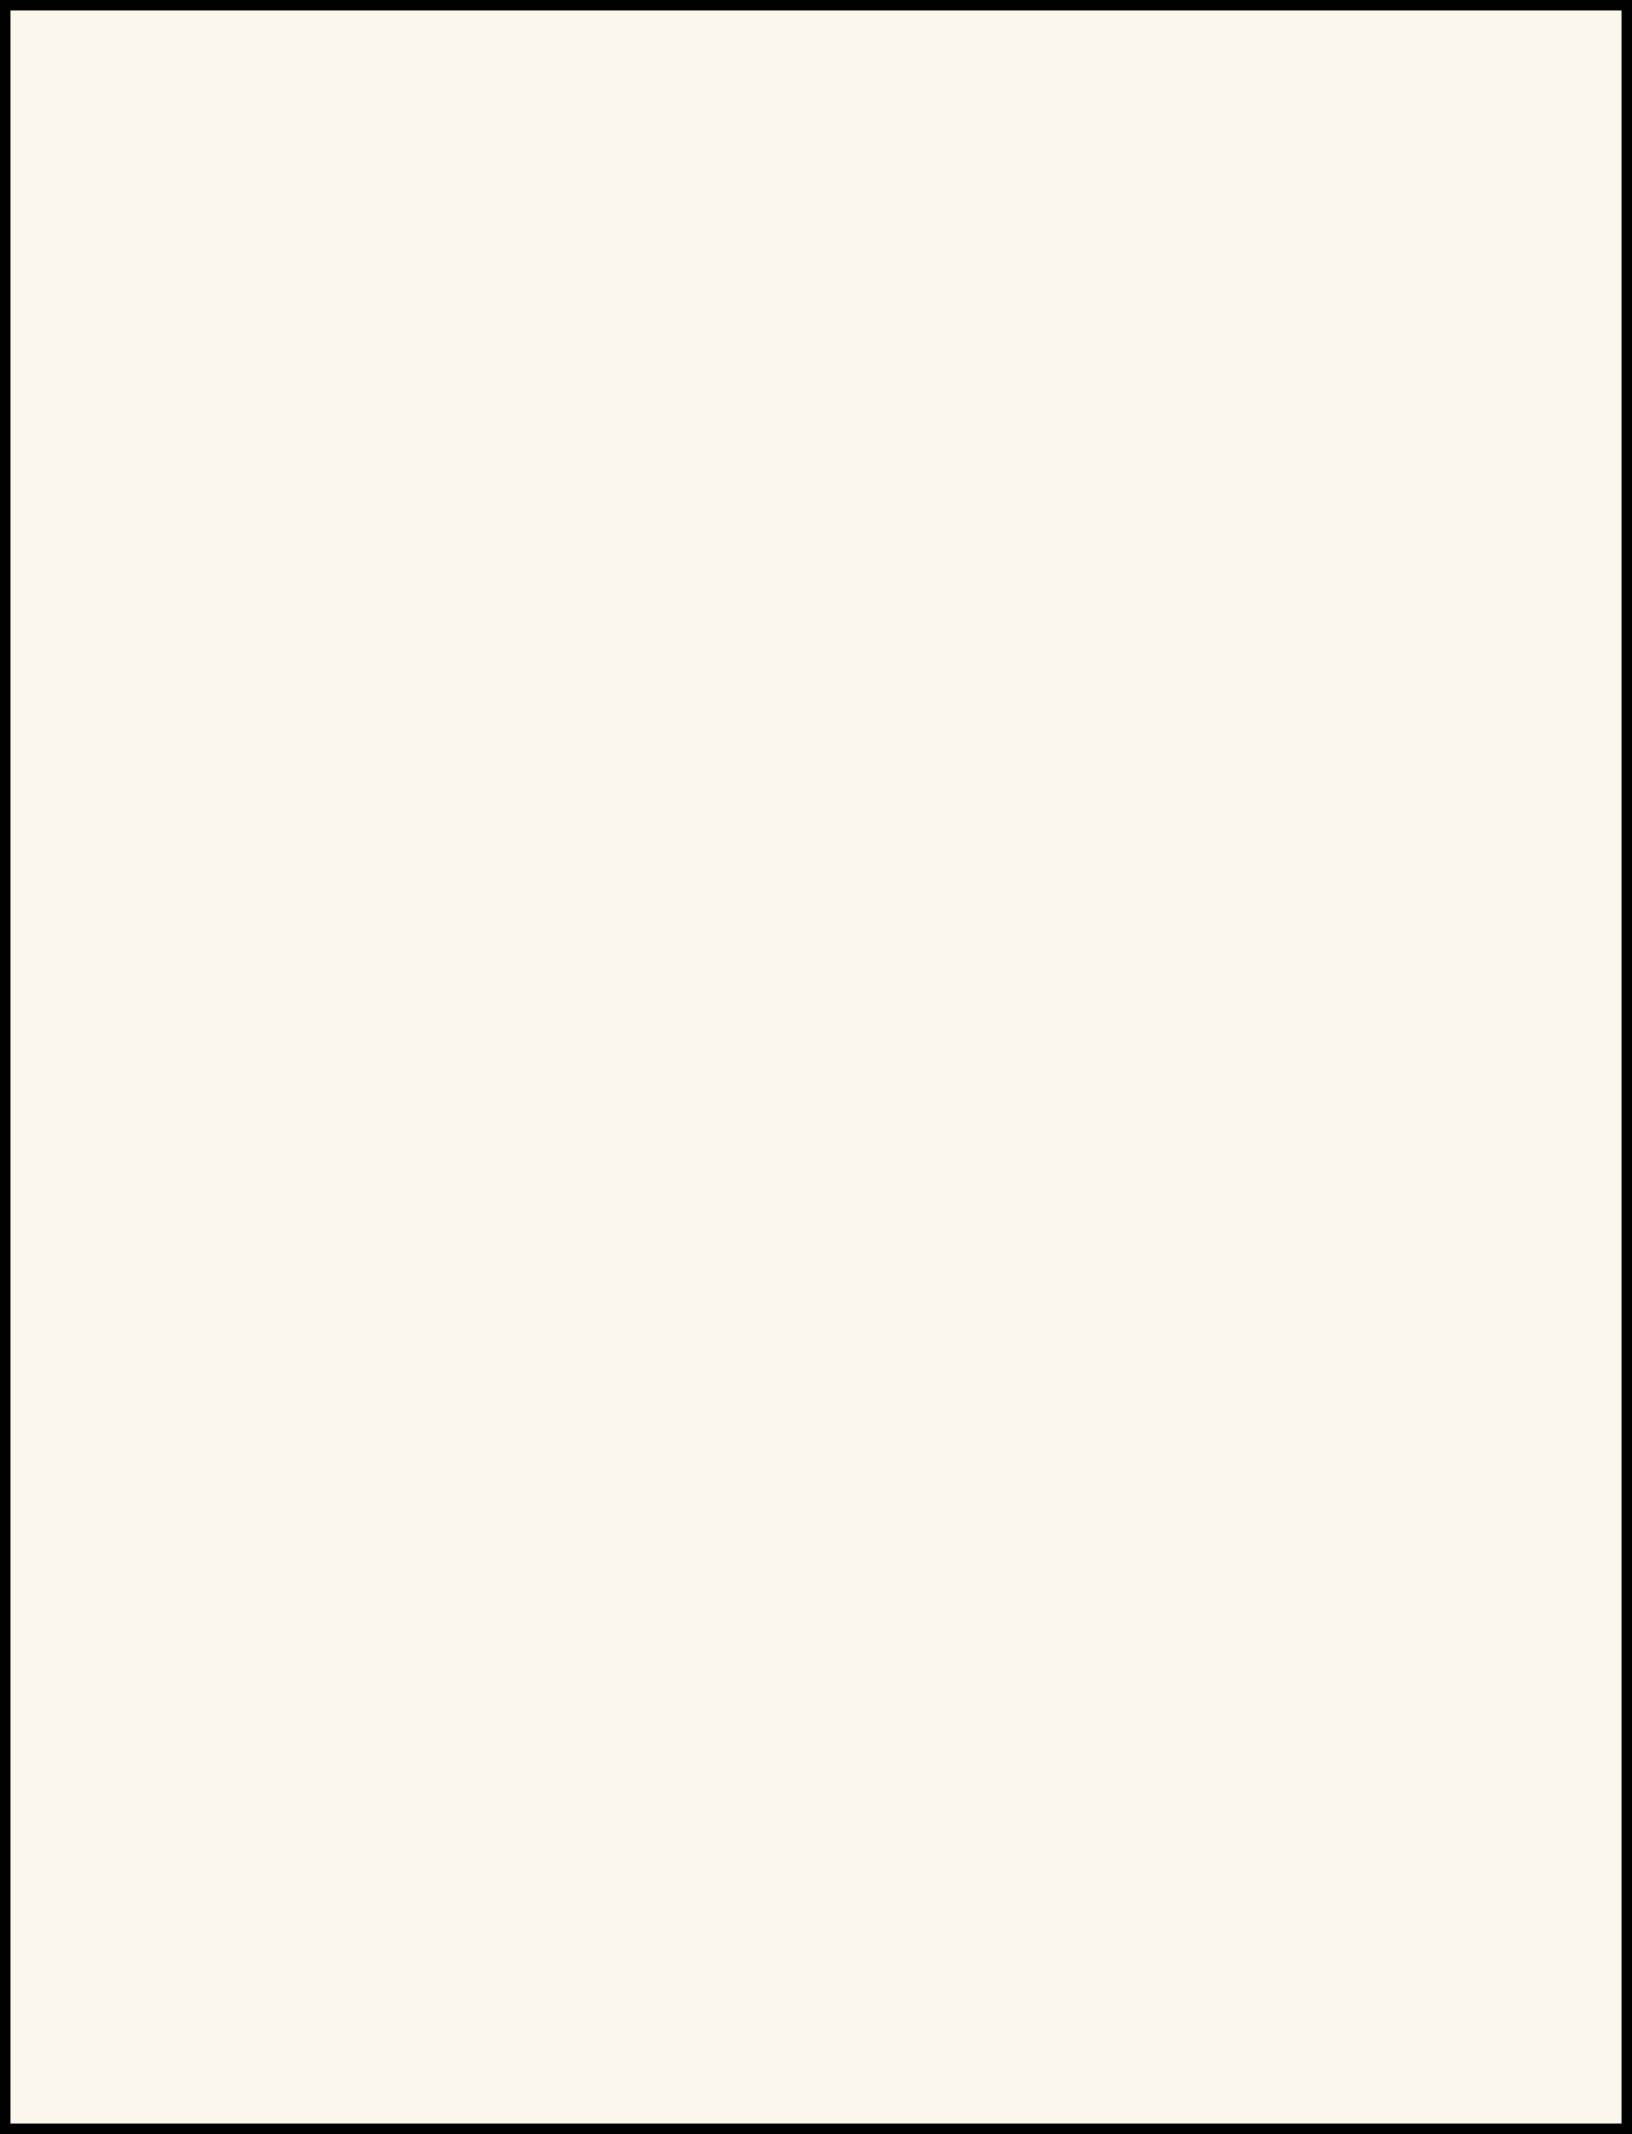

We as a high school are striving to reach our own horizon, the imaginary perfect condition that exists in our minds. The improvement and perfection of our school can only be reached through citizenship, sportsmanship, worship, friendship and cooperation. Day by day, we must work together to bring perfection to our high school. In reaching our horizon, we must work in perfect co-ordination. Selfishness must be abandoned and leadership encouraged.

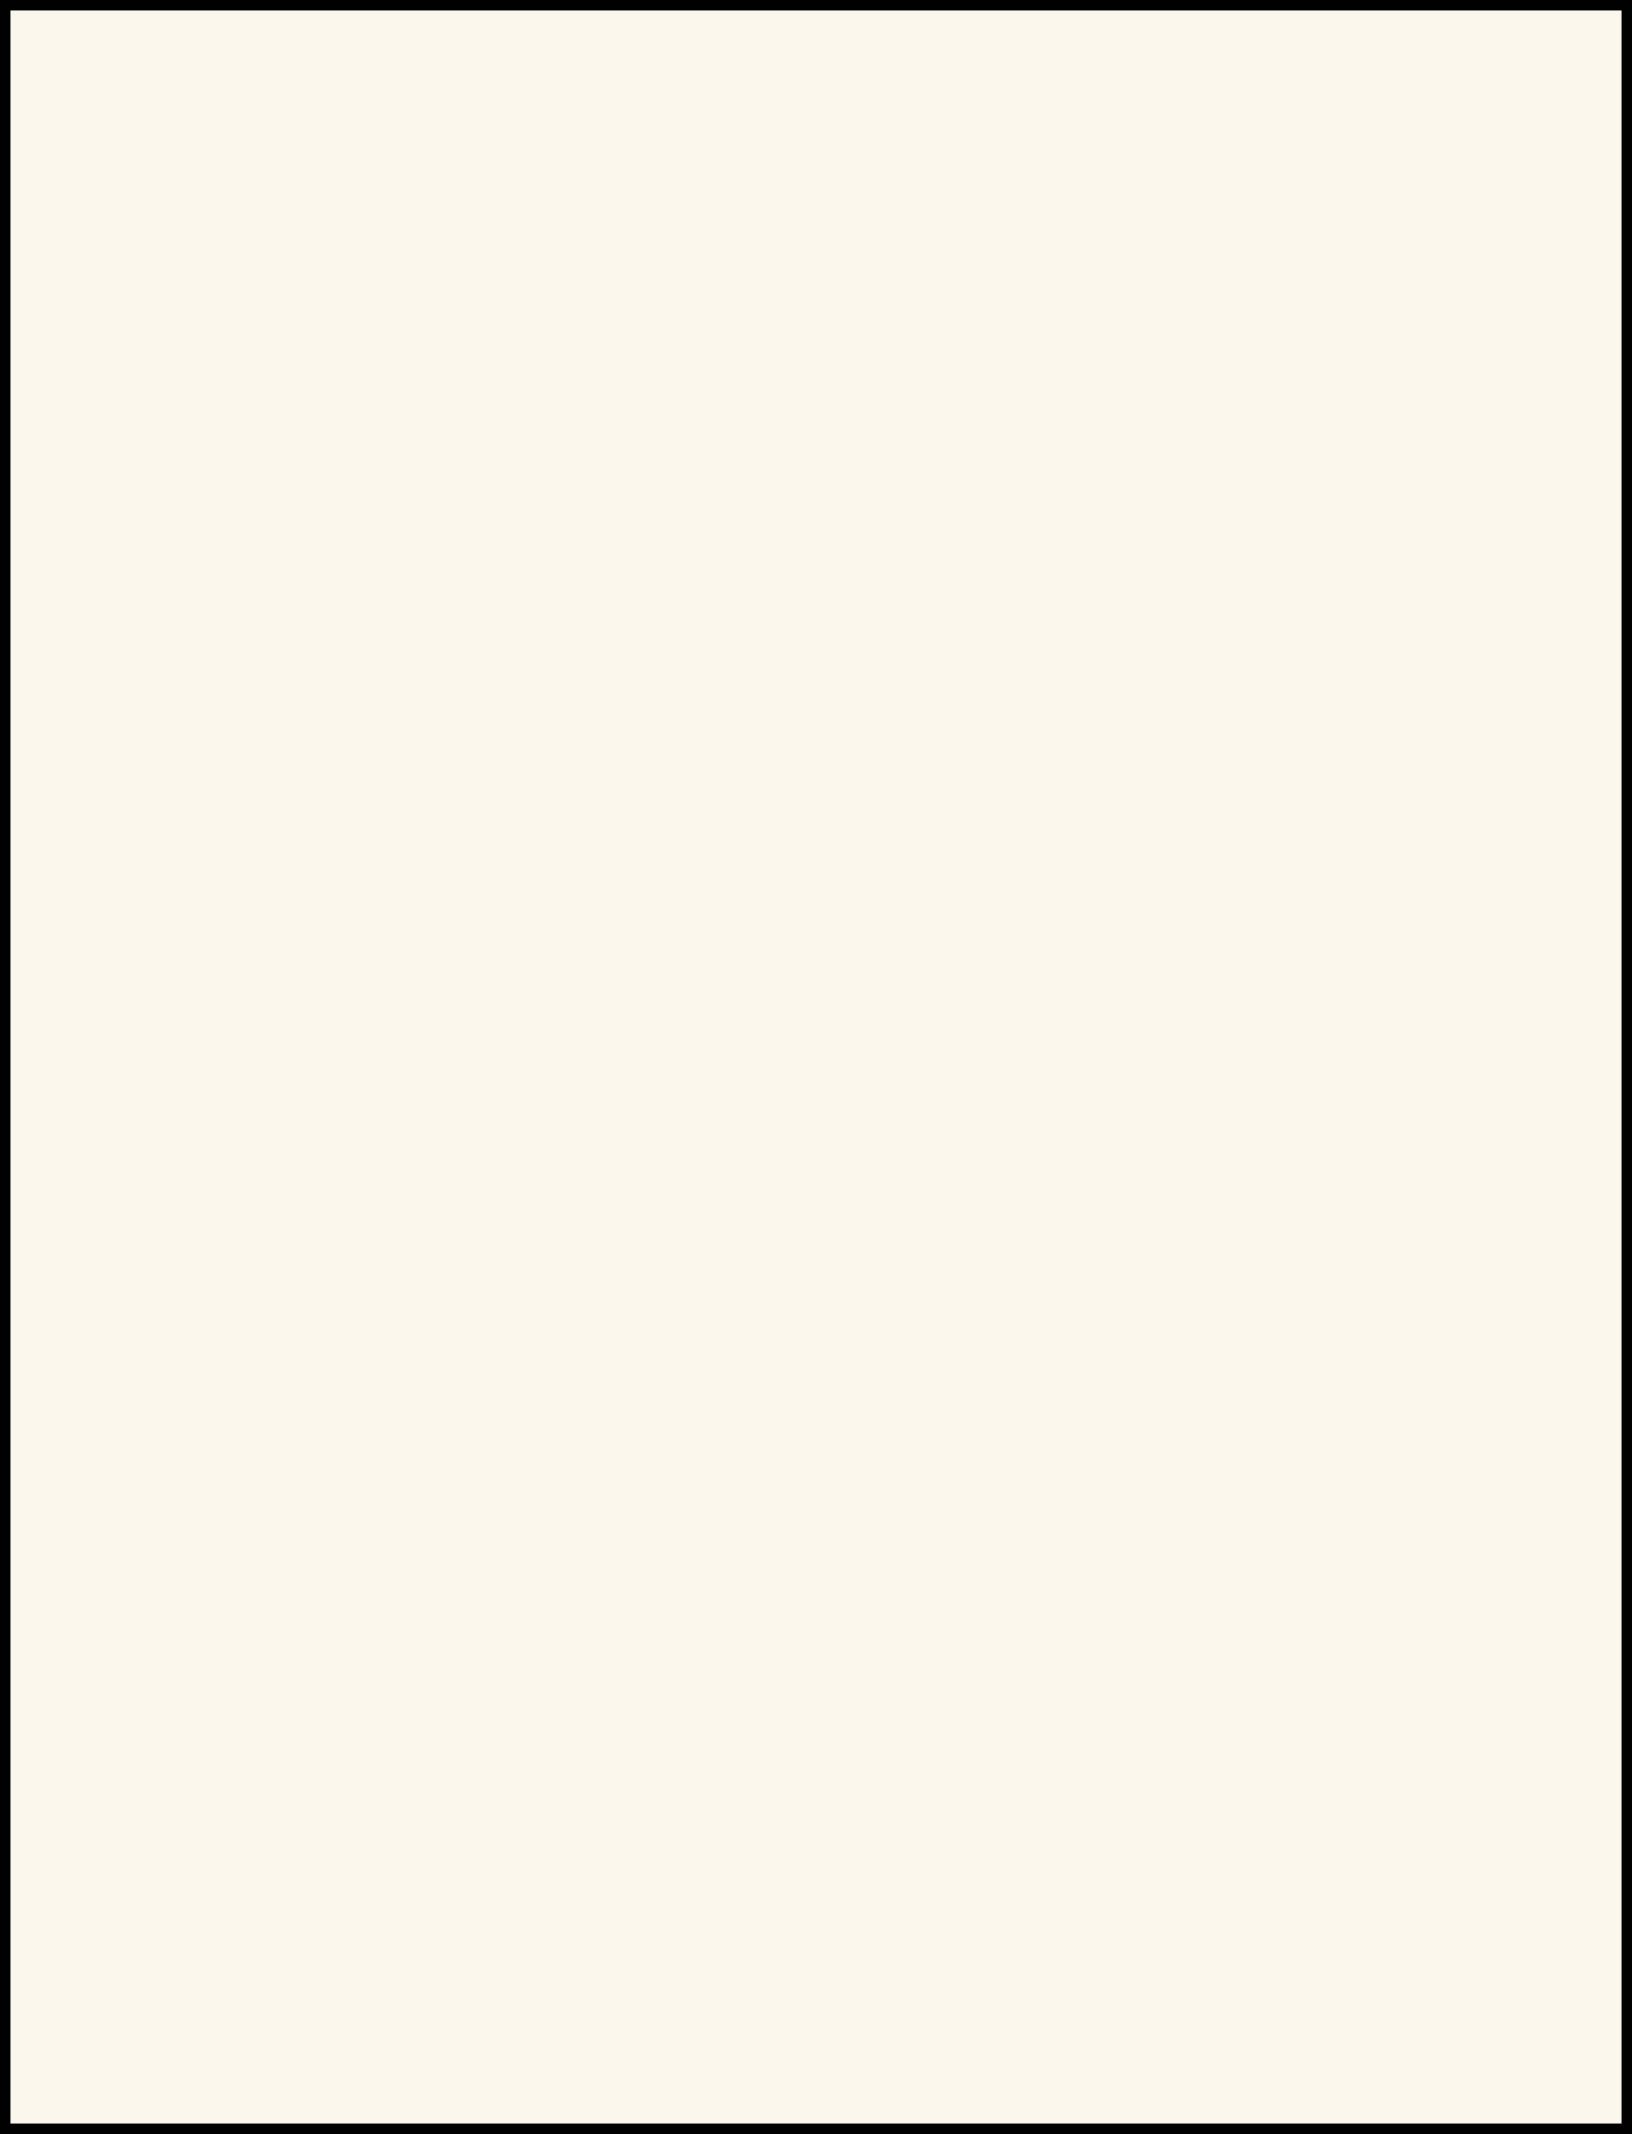

As a unified school, do we possess these qualities? Let's meet the challenge to reach the highest point in the horizon.

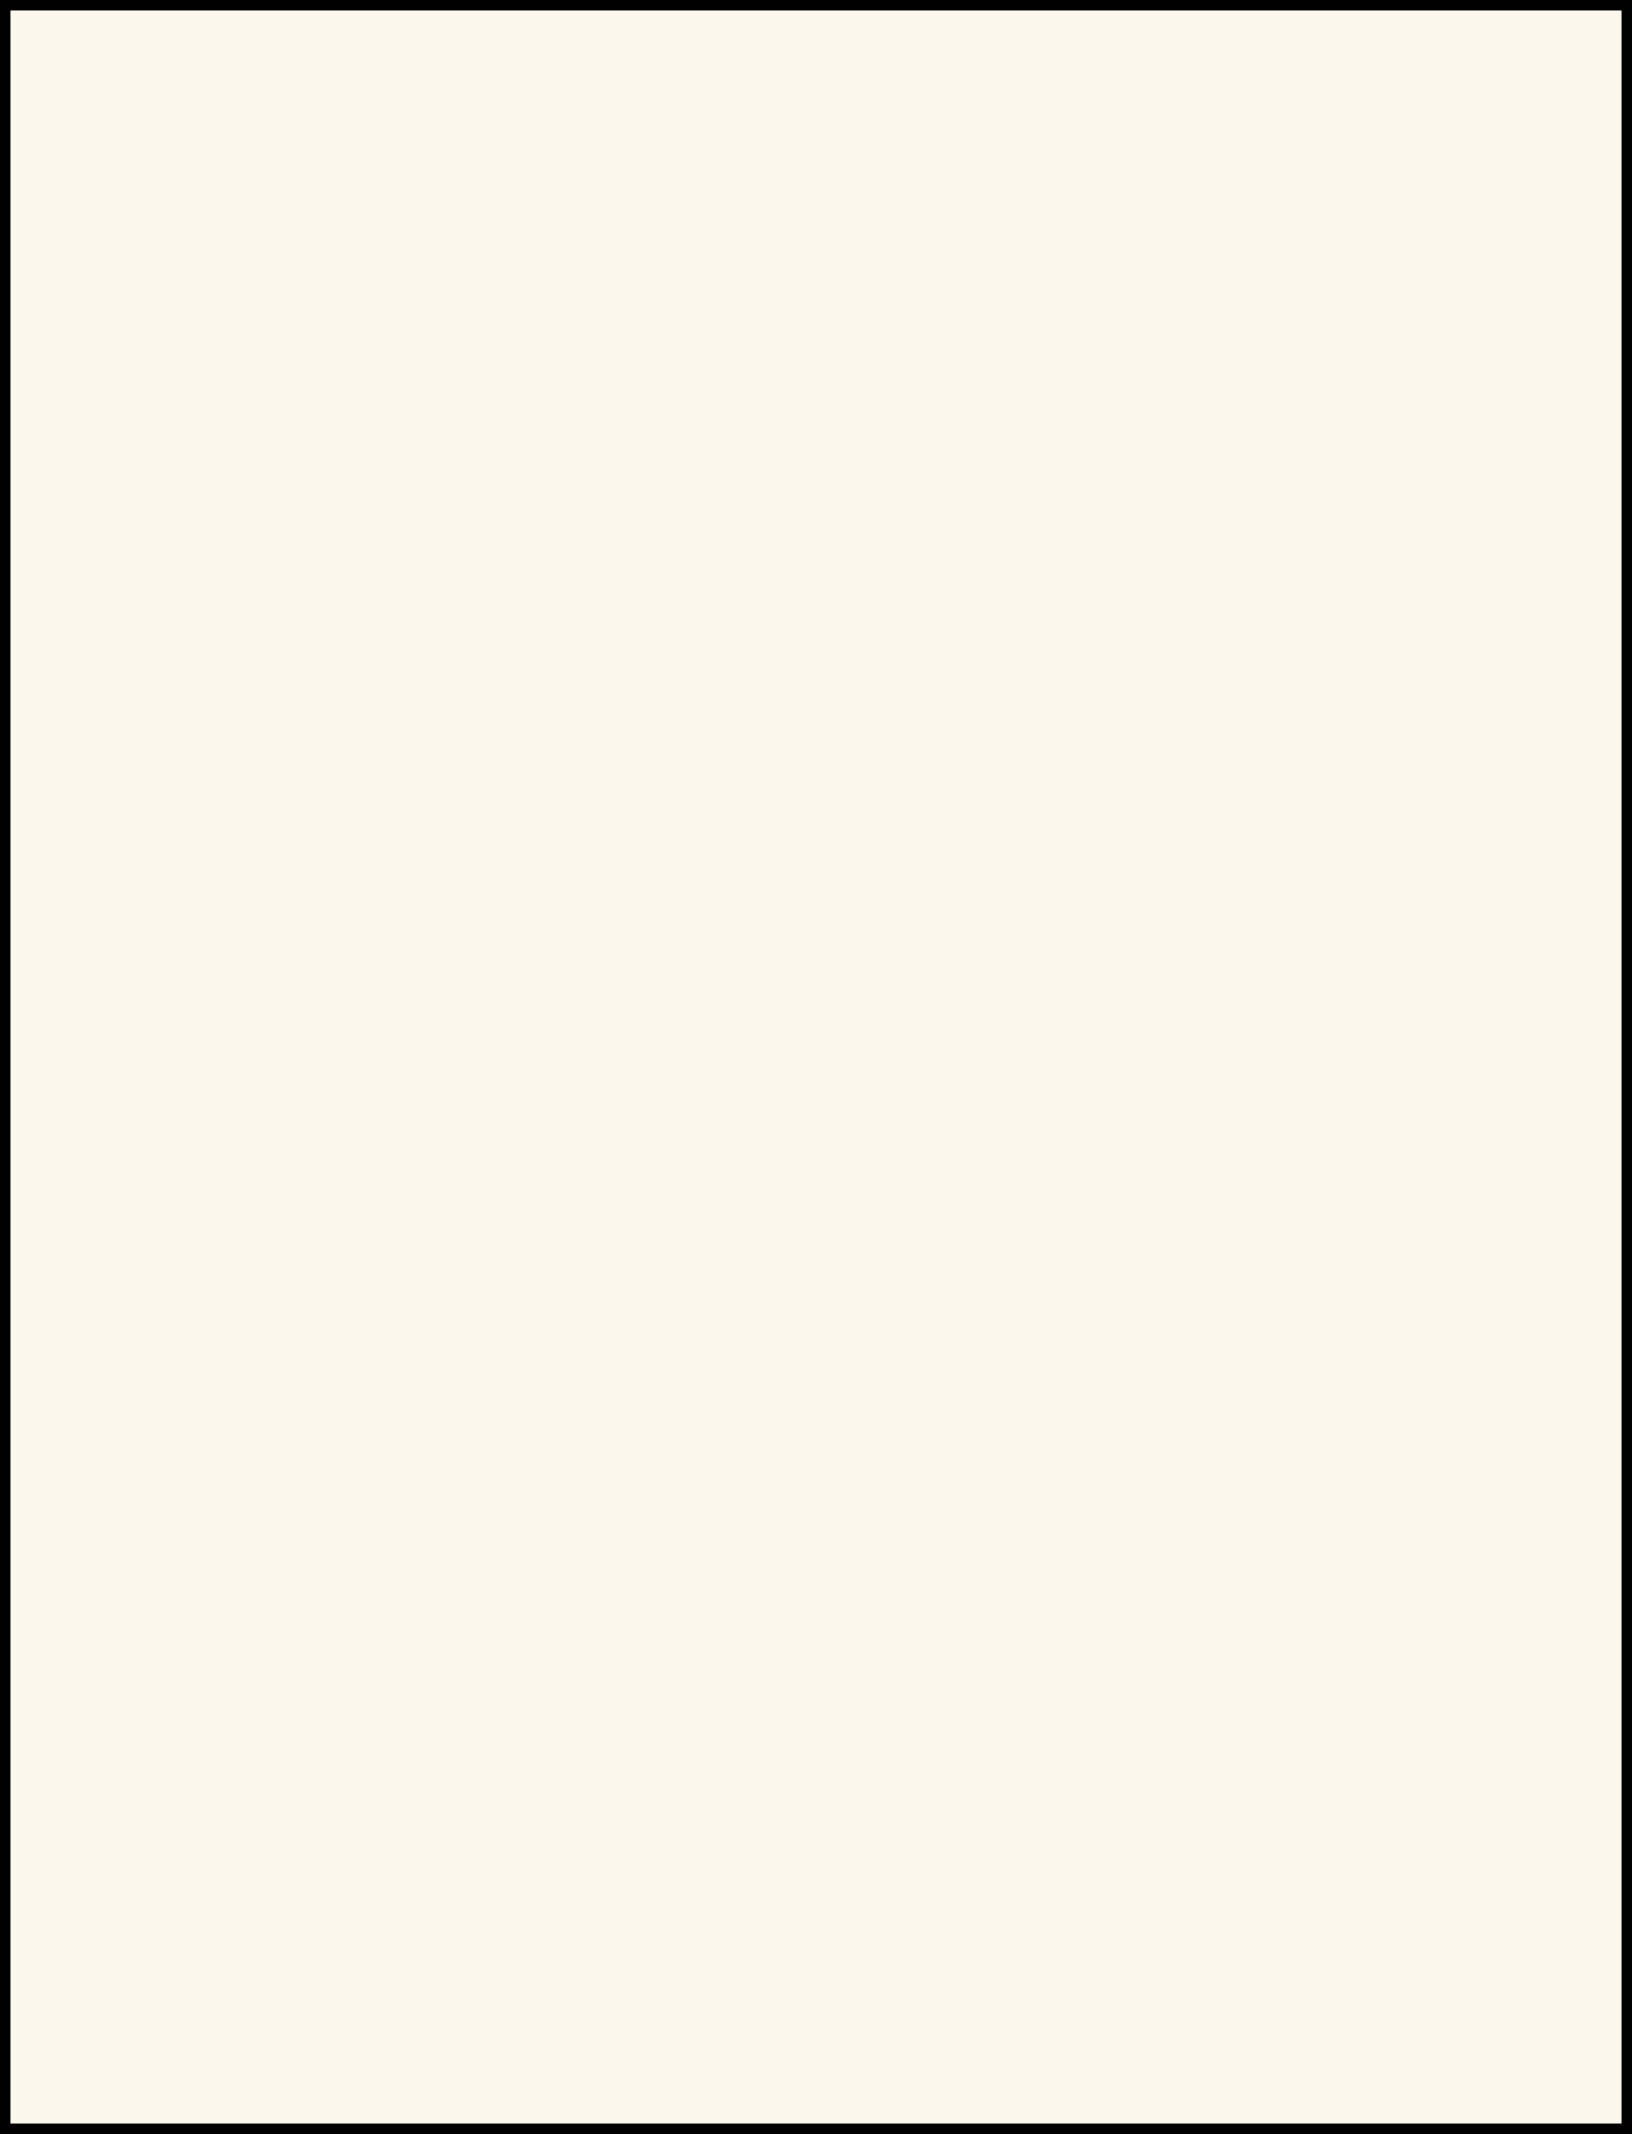

We, your yearbook staff have enjoyed creating these pages for you.

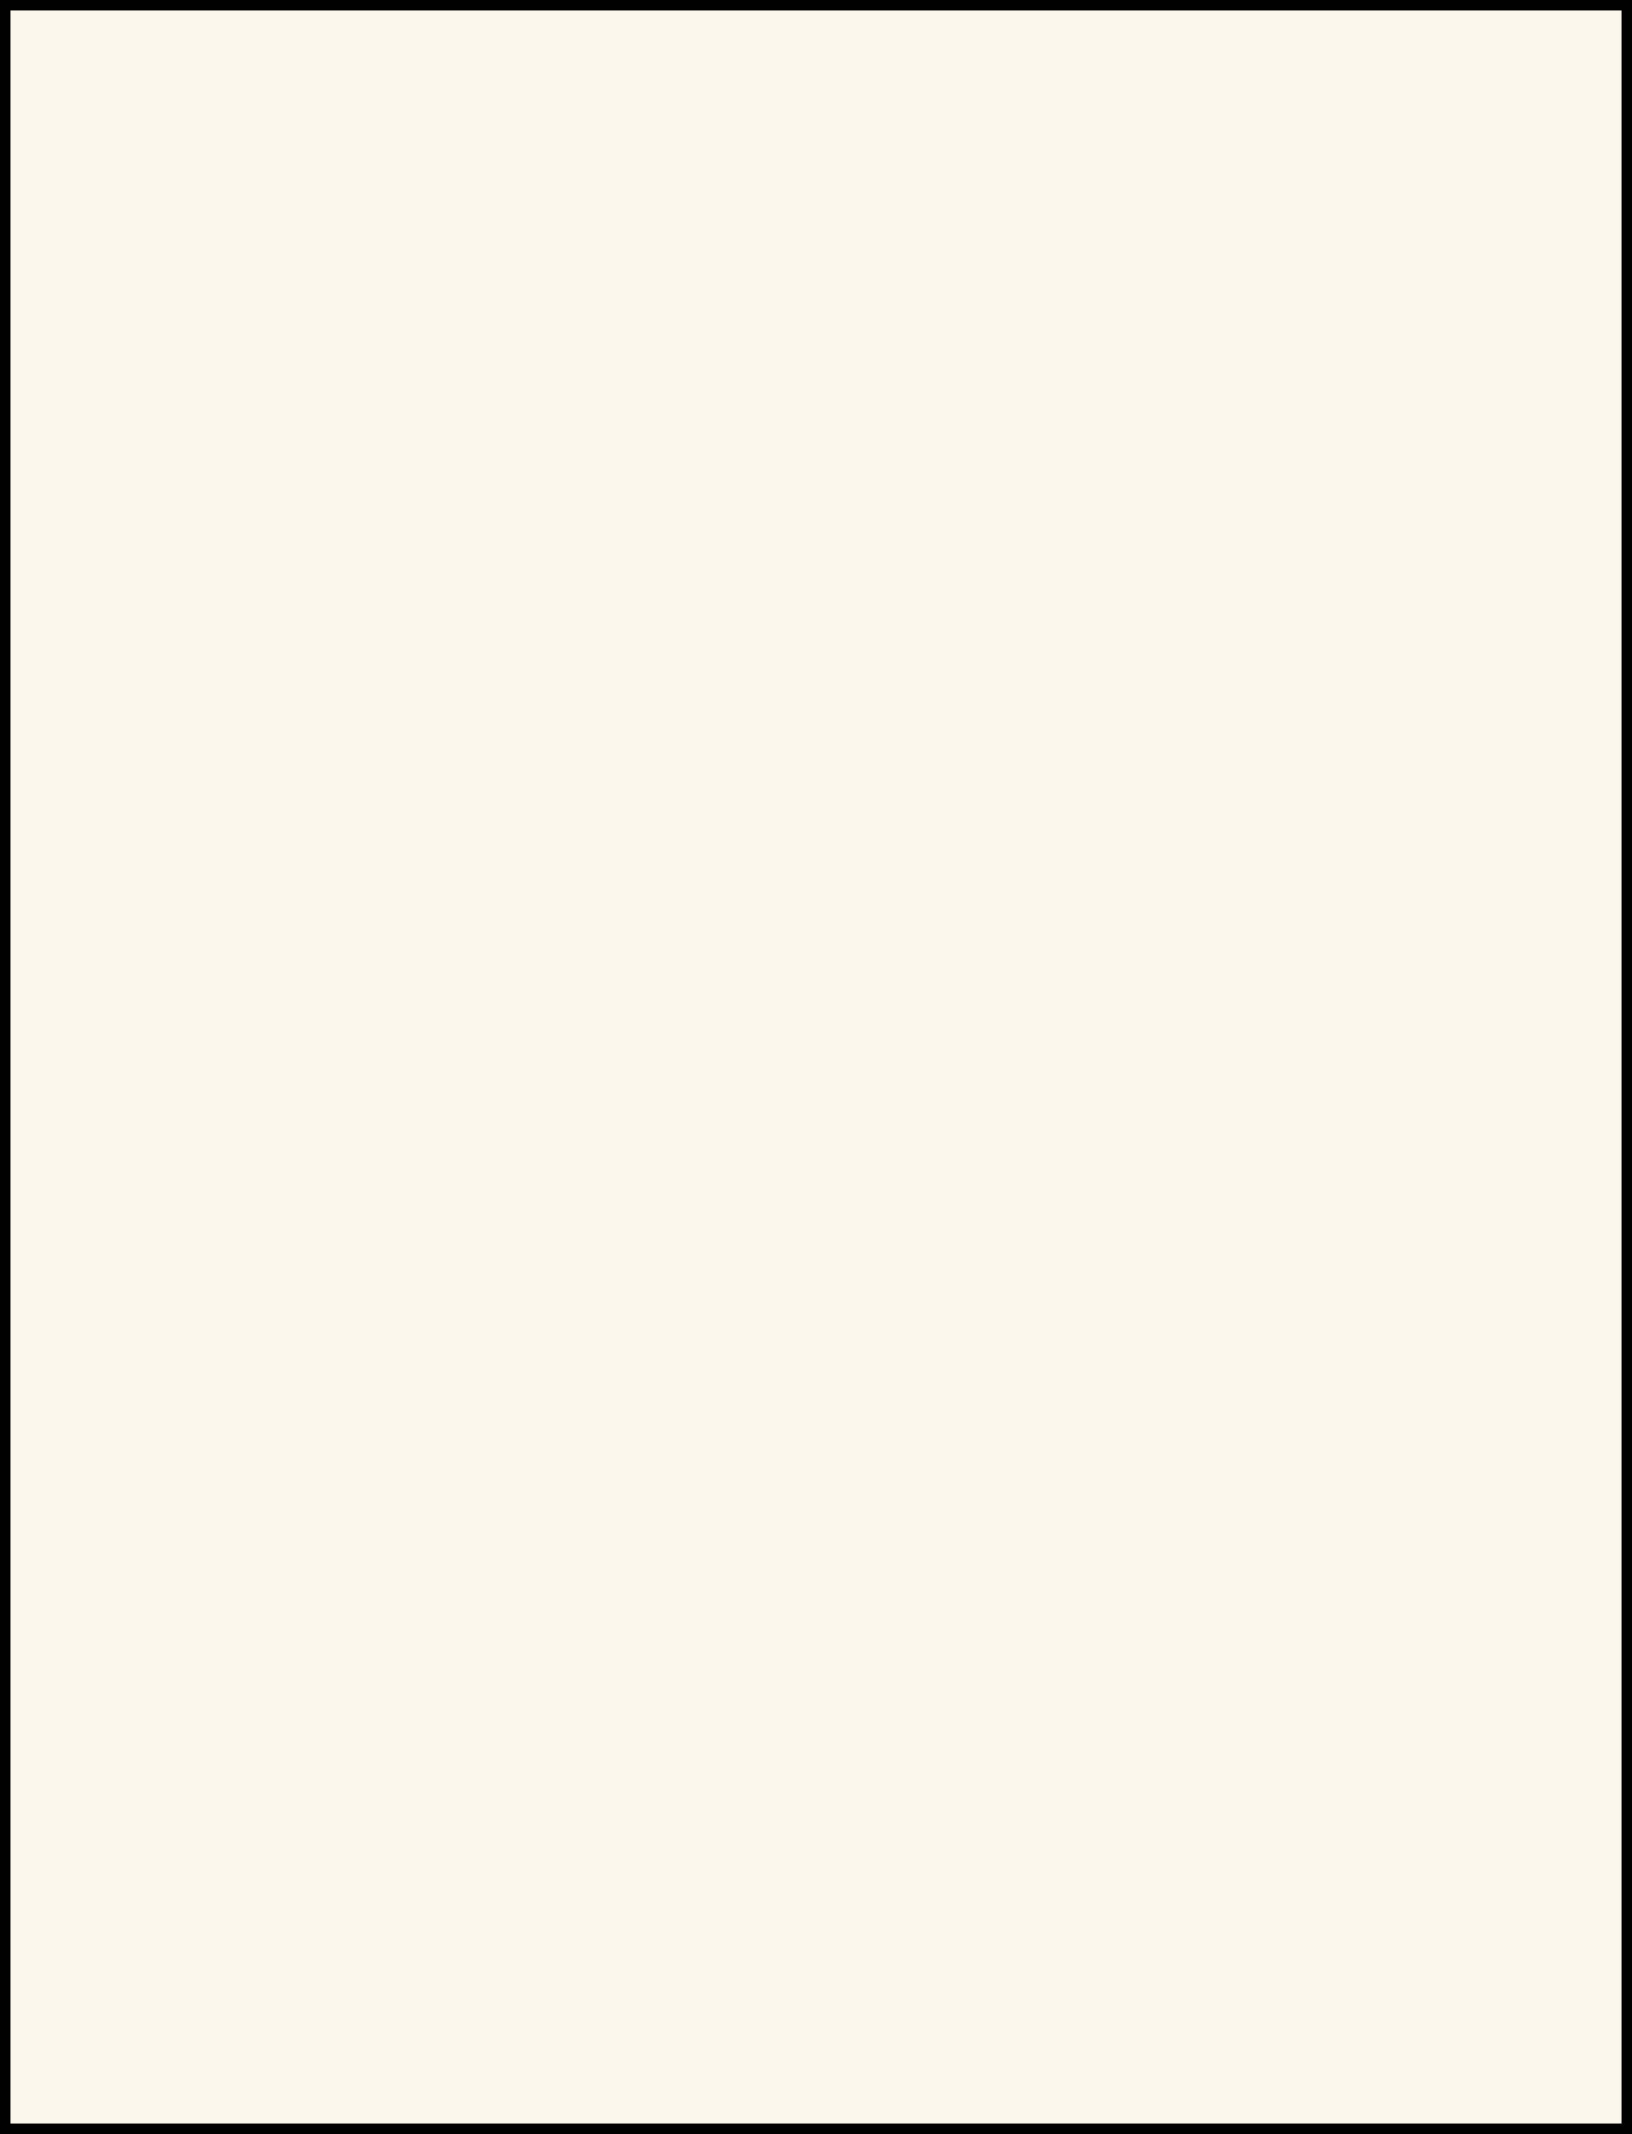

May you enjoy their content.

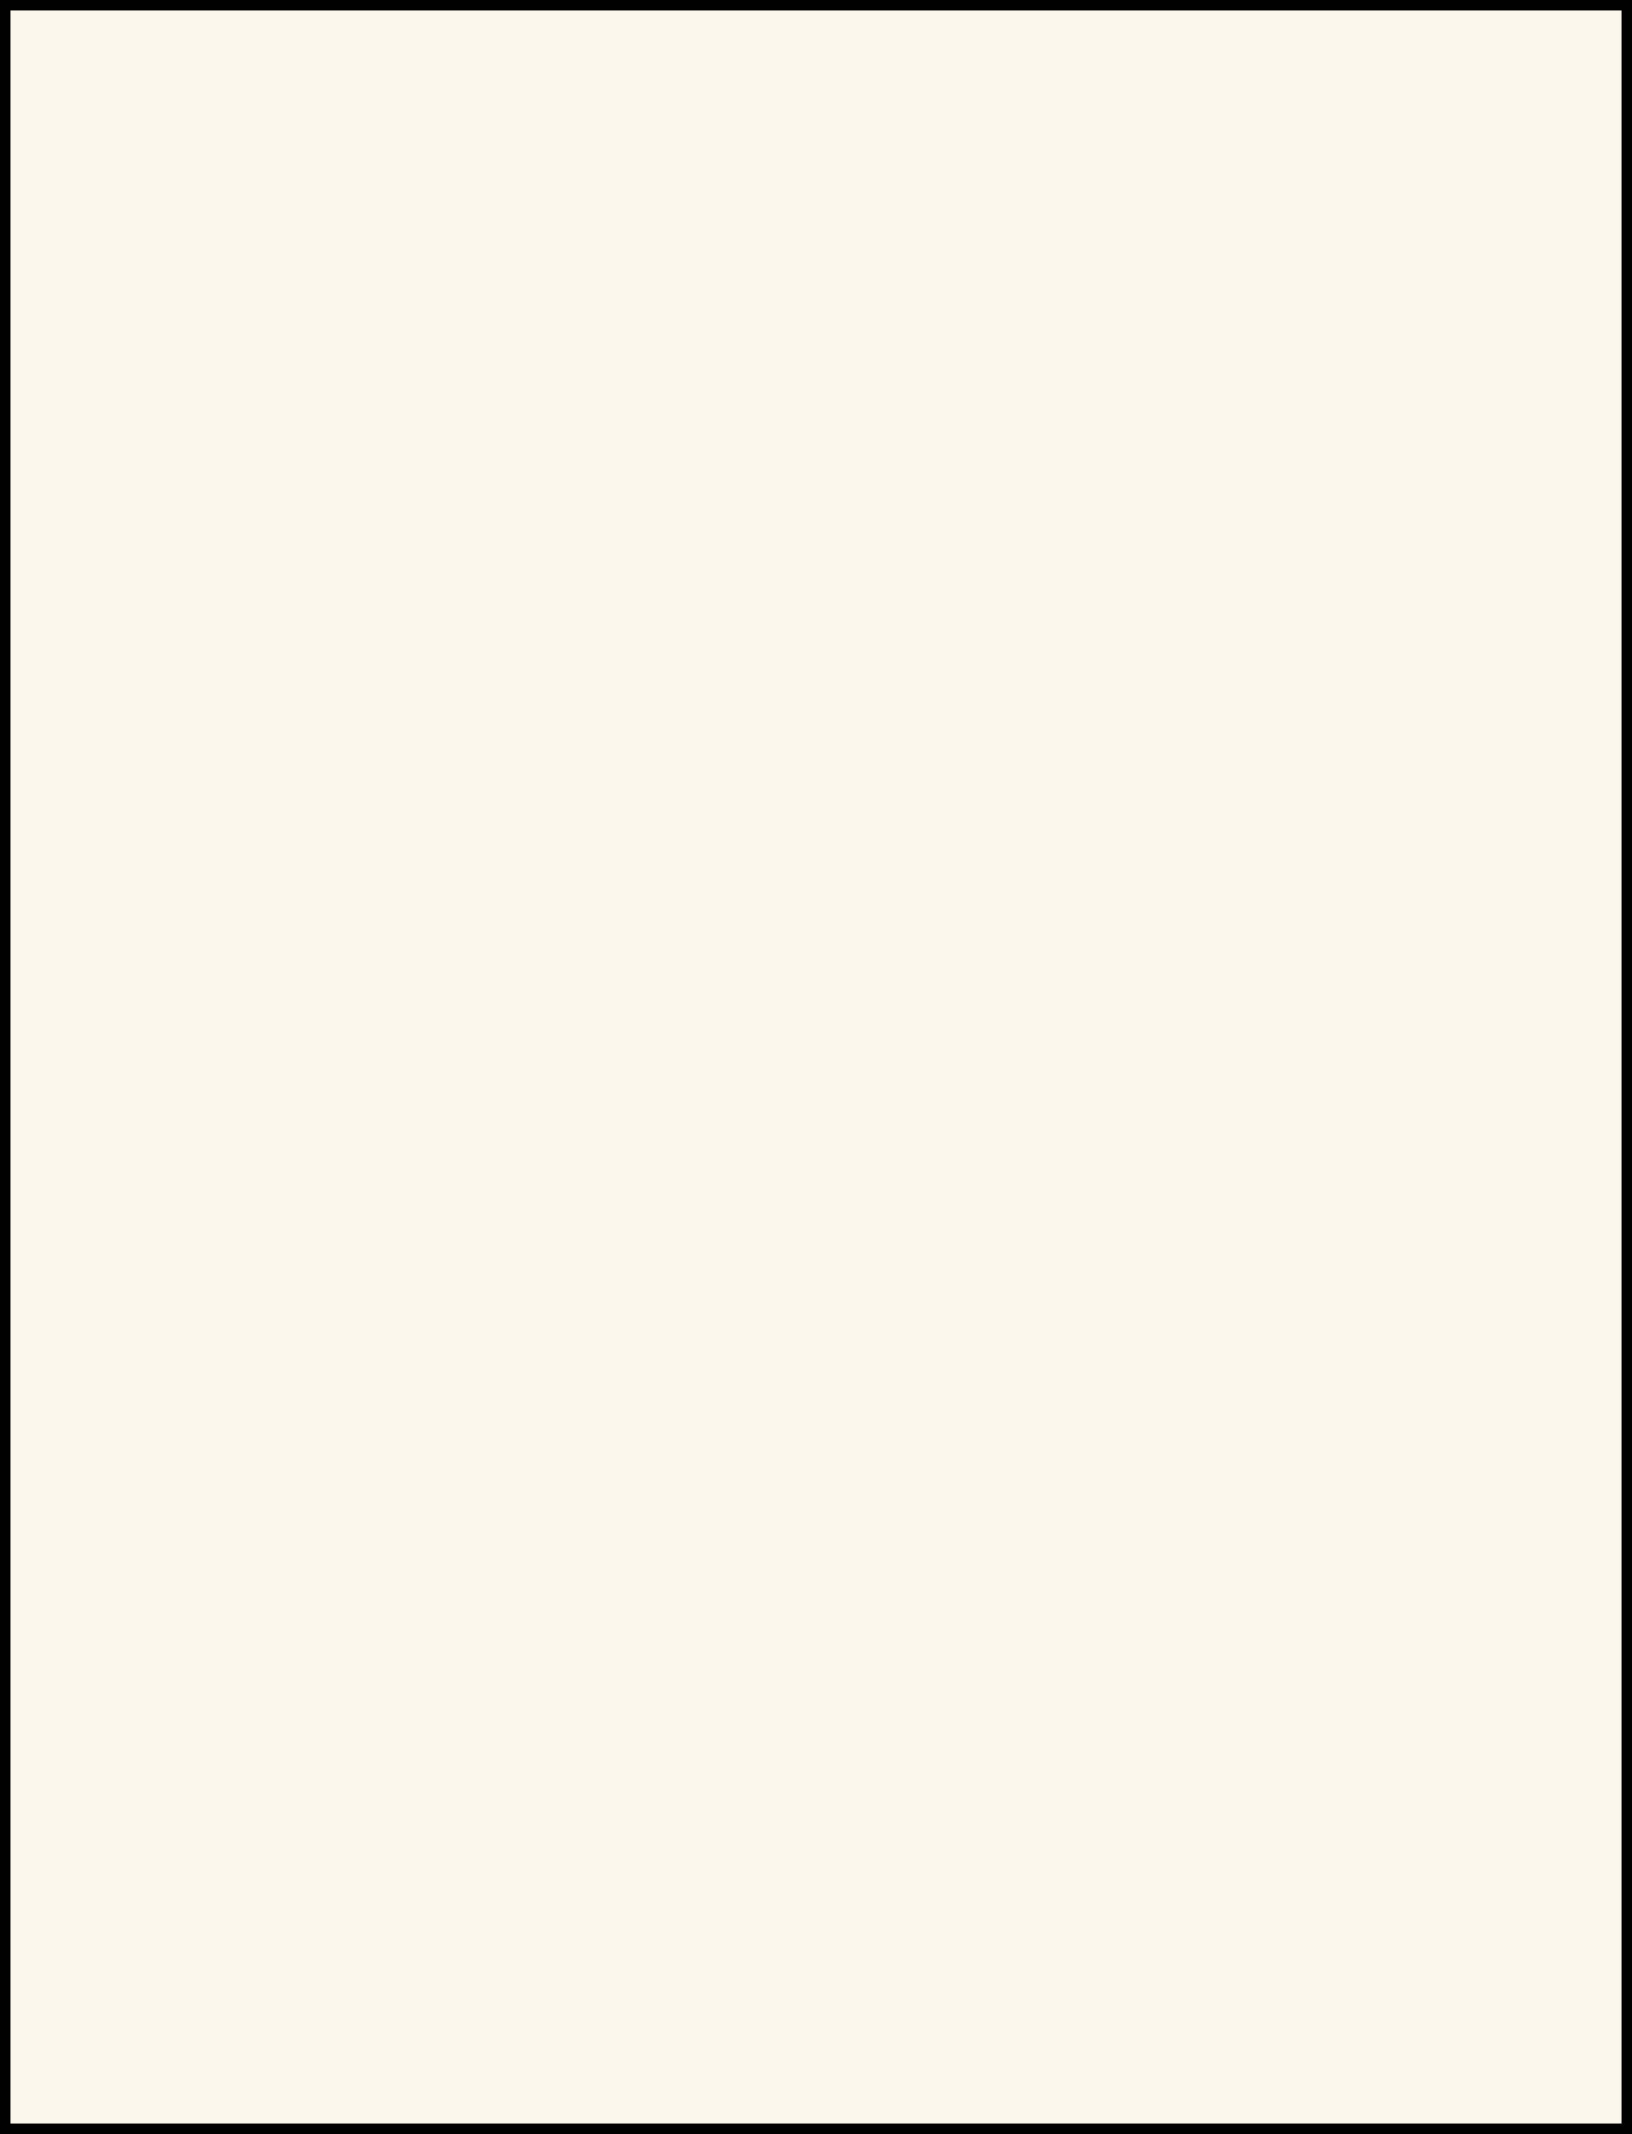

AT THIS POINT WE DEDICATE
THE 1962 UTOPIAN TO YOU,
THE STUDENTS OF MORGAN HIGH.
