We, the graduating class of 1956, leave dear old Morgan High School with fond memories, happy and sad, of the past six years. We will remember most of all, the last, our senior year.

Due to the much appreciated help of our senior class officers and advisors, and the co-operation of the entire class, we have accomplished many things, such as receiving our beautiful and outstanding class rings, our long awaited party, Senior Hop and Senior Sluff Day.

As we participated in sports, art, music, debating, assemblies, and all school activities, we have endeavored to do our very best.

As this portion of our goal in life is completed and we walk down the aisle at our graduation commencement, we sing the school song with tears in our eyes and let our minds dwell on these memories.

As we leave to pursue our many separate goals in life, we know we will always have these moments to remember.

Lisbon Antiqua

The annual Junior Prom was held March 23, to the lilting strains of LISBON ANTIQUA. The crowd danced among decorations that were carried out in a Portugese motif, in colors of light yellow fading into deep orange. Three chandeliers were suspended from the ceiling, and scenes of the sea adorned the walls. They created the enchanting effect of a castle looking out upon the ocean.

The Juniors went into the promenade after coming through the large sea shell at one end of the hall. The dance was centered around the largest of the three chandeliers and progressed into two large circles. The promenade was light and cheerful, typical of the evening's entertainment.
